# CSR Opportunities with Prefab Solutions

Driving Social Impact through Sustainable Infrastructure

## Affordable Housing & Shelters

Quick, low-cost prefab units for housing, disaster relief, or temporary stay.

## Educational Facilities

Prefab classrooms for fast deployment in remote or underserved areas.

## Healthcare Infrastructure

Mobile clinics and sanitation cabins for rural healthcare support.

## Sustainable Construction

Uses 48% less water, 65% fewer materials, and cuts 53% emissions.

## Workforce Welfare

Portable cabins for staff housing, sanitation, and welfare facilities.
